

Universiti Putra Malaysia

SELF-REVI PORTFO

Institutional Maintenance Audit of Self Accreditation Status

Executive Summary of SRP UPM 2020

The Executive Summary of the Self Review Portfolio (SRP) UPM 2020 is illustrated based on the PDCA framework. It is shown by a cycle process of Plan, Do, Check and Act. This model is used to signify that UPM is constantly improving and progressing in positioning itself as among the best Higher Education Provider locally and globally. The operational definition of the PDCA concept in the context of UPM:

UPM establishes policies, objectives and processes necessary to deliver results in accordance with UPM vision, mission and strategic goals.

UPM implements the due process and activities as planned through each entities and functions

UPM monitors and measures feedbacks and processes against UPM vision, mission and strategic goals.

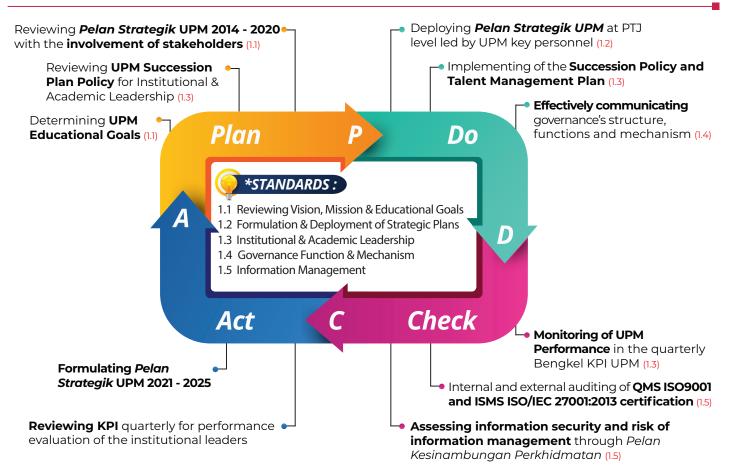

UPM to take necessary actions to continually improves and sustain its performance

The following infographic denotes the four (4) areas of standards of COPIA 2.0 for Compliance Evaluation for Self-Accrediting University by MQA and presented in a PDCA cycle.

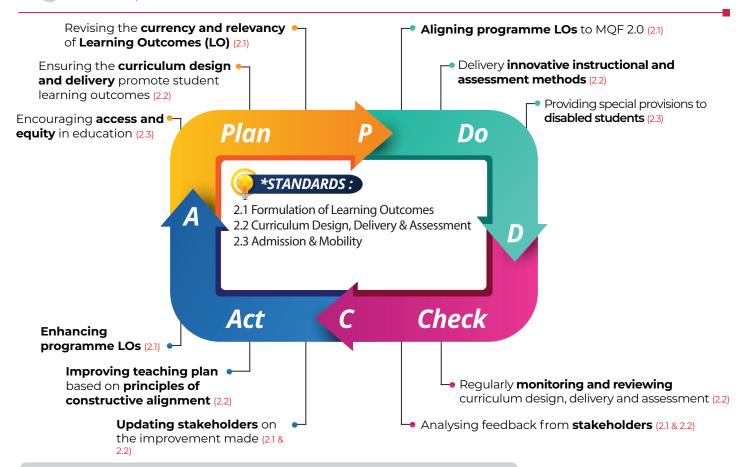

Area 1: Institutional Leadership and Governance

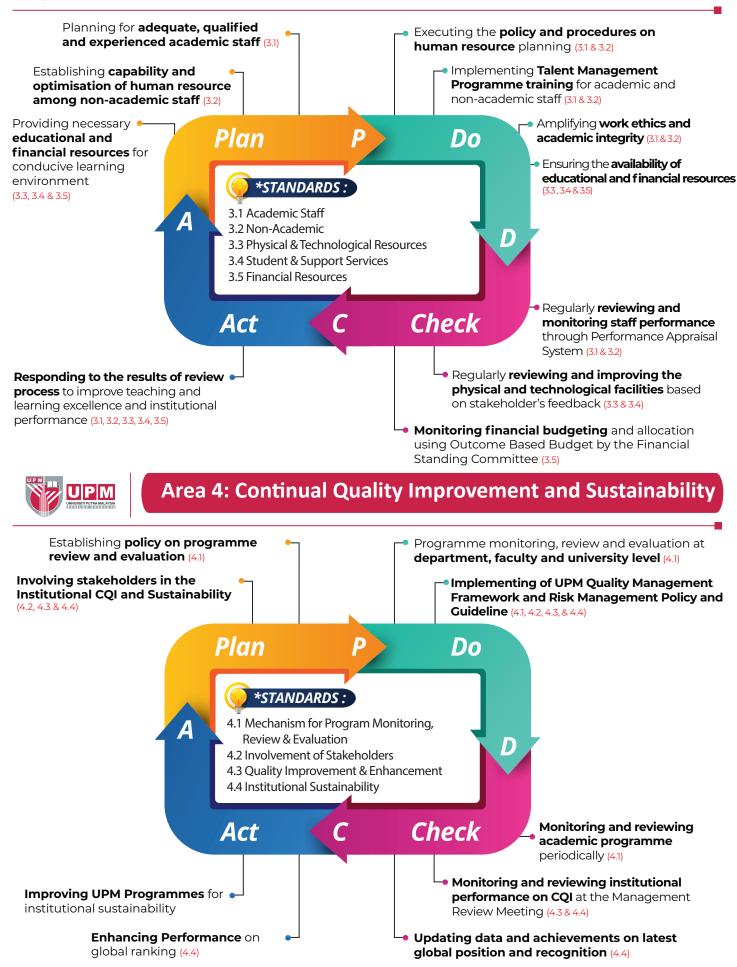

Area 2: Academic Development and Management

^{*} Note: Guide on Compliance Evaluation for Self Accreditation Universities, MQA 2020

Area 3: Talent and Resources

^{*} Note: Guide on Compliance Evaluation for Self Accreditation Universities, MQA 2020

evertheless, due to the wide scope of educational discipline, vast number of academic programmes and dynamic domain of research and learnings, UPM is consistently improving and addressing the challenges by providing the necessary and relevant resources encompassing human resource, infra and infostructure as well as financial viability towards the best quality and excellence in higher education.
